

## **IMPORTANT INFORMATION FOR ALL FUND RAISING EVENT ORGANISERS**

1. We (the Friends of Himalayan Children Inc.) do not accept responsibility or liability for any loss or damage, or for any death or personal injury, arising out of any fundraising activities or events that are not directly organised by ourselves. This is because our current Insurance Policies do not extend any cover for events organised by our supporters.
2. We strongly advise that you assess the risks associated with your event and consider arranging your own event insurance to cover public liability, and any other financial or physical risks that you face. We suggest you also contact a specialist event insurance broker, who will be able to assist you with a risk assessment and advise you on appropriate insurance protection.

### **DISCLAIMER**

For the avoidance of doubt please note and agree to the following exclusion of liability:
